Annual Return on the Charter (ARC) 2025-2026

Please use the comment field below to explain to the regulator any notable improvements or deterioration in performance regarding the figures supplied in the “Housing quality and maintenance” section’.

IND C8 - Our SHQS fails increased during the year. This was following the most recent tranche of stock condition surveys which identified several properties failing on one area (Kitchen Condition). As the survey has only recently been completed, we intend to review these failures and undertake any necessary repairs during 2026-27 so that by year-end, they should pass.
